

DIVORCE SUPPORT GROUP

A NEW BEGINNING DIVORCE SUPPORT GROUP

.....

The metro area's most comprehensive support group for people who are separated or divorced. Professional speakers provide an opportunity to dialogue on key issues relative to the divorce process and recovery. Sharing and bonding with others going through divorce as well as with trained leaders provides the kind of support needed to open the door to a new beginning.

A one-time fee of \$100 covers materials and expenses for the 10-week support group. Scholarships are available.
