Advent and Christmas 2005: COME TO THE MANGER

A message from our Senior Pastor

THE CHRISTMAS CRIB

Rev. Janet Forbes

It was Christmas Eve 1223 at Greco, Italy, not far from Francis' hometown of Assisi. Clattering feet rang on the stony path up the mountainside and voices hummed excitedly. Then the footsteps and voices stopped abruptly. Torches and candles lit up the entrance to a cave in the mountain. Within the flickering shadows of the cave the watchers could make out the gently breathing forms of an ox and a donkey, standing patiently beside the carved wooden figure of a baby in a crib.

As the villagers watched, St. Francis began to tell the story of the first Christmas, taking the part of each character in turn. For too long the incarnation had been a subject to be studied by learned people. Francis was determined that ordi-

nary men, women, and children should understand what it meant for Jesus to be born in a stable in Bethlehem.

What do you call your "Christmas Crib"? A creche (France)? A krippe (Germany)? A nacimiento (Guatemala)? A pesebre (Brazil)? A nativity (United States)? A manger (Highlands Ranch)?

I invite your family to center its Christmas decorating with a nativity set. If you have young children, provide a set that can be handled and explored in play. Even if baby Jesus or the 3rd Wise Man gets lost under the sofa.

The Advent invitation is to "come to the manger"! What joy!

From the Missions Committee

Thank you to all of the small groups that supported Urban Peak throughout 2005 by sponsoring a meal. These groups made our mission to provide one meal a month to the youth of Urban Peak a success! Thanks to the Hand bell Choir, Common Thread Circle, Women of Note, St. Luke's Softball Team, SLY, Chancel Choir, UMW, and Christian Connection Sunday School class. Also, thanks to the many individuals who signed up to provide food during the months, which were open. Thanks to Bernie O'Grady and family for serving and delivering meals as needed.

If your small group is interested in sponsoring the Urban Peak meal for a month in 2006, please contact Diane Tolleson at 303-683-1295. Individuals are also welcome to provide part of a meal. Please contact Diane with questions or see the sign up sheet on the Mission kiosk.

Thanks again to everyone at St. Luke's for supporting Urban Peak in 2005.

Trustee's Corner

The next time you see him, would you please join with the members of St. Luke's Trustees organization in recognizing and thanking our tireless and devoted Director of Trustees, Mr. Ken Fong. If you've ever been on the business end of a honey-do list on your own home repairs, just imagine for a moment what it would be like if you had hundreds of people with different needs building that list! And that list would need your attention every day, every week, and every season of the year -- and due in large part to the incredible generosity of your extended family your home would be over 44,000 sq ft with more than 10 bathrooms!

Day in and day out Ken quietly schedules and oversees activities performed by volunteers and professional contractors so our church home can reliably support our programs. Whether monitoring electricity and water usage, finding ways to improve security, or checking in on a more personal level, Ken willingly provides caring, leadership and discipline towards keeping us all comfortable and safe all the while minding our investment in our home.

Thank you so much, Ken, we truly do appreciate your leadership, devotion, and grace!

The Trustees organization would also like to join with the staff in extending our thanks to all of you for supporting St. Luke's as we move into 2006, we really would not be who we are without you.

Hello, Marcia!

We enjoyed our El Salvador trip, and of course there was no problem with distributing all of the clothing and supplies that we took with us. Thank you--and thank you, St. Luke's--for all those high quality donated items, which were so gladly received! The clothing met critical needs, and the toys were a source of unbridled joy! It is fun to let each child make his/her own toy selection!

We visited two orphanages and four refugee camps to make our distributions. I have photos, which I will try to get into the mail to you within a few days. It was rainy while we were there, and as you have probably noticed in the news during the last few days, it became much worse soon

after our departure. One of the orphanages that we had planned to visit had been evacuated because of mudslides, and the children had been moved into a larger orphanage in the city of San Salvador, so we tracked them down in their new location. They were so glad to have an infusion of new clothing! Sadly, the whole country has a pitifully large number of "throw away children." We plan to participate in Airline Ambassadors' next trip in January, so wonder whether we can be added to St. Luke's list of mission projects for at least part of the time during the next three months. With so many people displaced and having lost everything during the hurricanes, we certainly realize that there are many competing needs! We will await your thoughts

on this....

Again, thanks a million to you and to your friends at St. Luke's for being such generous suppliers for our September trip! Fully half of the total amount of donated goods that our group of volunteers had available for distribution came out of our duffle bags, which we had tightly stuffed with St. Luke's contributions. (Most volunteers buy their supplies at thrift shops, and thus have fewer items.) We are always painfully aware that it is like a drop in the ocean of need, but it certainly provides an invaluable lift to those we are able to reach with these supplies!

Thanks so much!

Thank you from all of us in Children's Ministry

With Thanksgiving just passed and the preparation for Christmas beginning, I stopped for just a minute to count the blessings I have seen in Children's Ministry. These blessings are all the wonderfully generous people who have given of themselves to the programs of Children's Ministries over the past year.

We are thankful for all the volunteers (over 35 each Sunday) who serve in Children's Sunday School, Joy Trek's teaching teams and assistants, PEAK Adventure's workshop leaders and guides and Summit Seekers' teaching team, Music and opening teams, superintendents, nursery checking and Summer Sunday School.

We would not have any special events without our Children's Ministry Fellowship Team that directs Fall Festival, Hanging of the Greens, Children's Dinner Theater and the Friendly Giant production, Candy Cane Sunday, Family Movie night, the Easter Fun Day Celebration, and the months worth of planning and an intense, but fulfilling week of Vacation Bible School every summer.

We are thankful and so appreciative of our incredible group of caregivers who staff our Nursery for all three services on Sunday mornings and our Childcare during the week.

We have individuals who serve on the Faith Harder Children's Library Ministry Team who decorate, organize, catalog, and maintain our collection. Then we have others who serve with Third Grade Bibles, Children's 3:00 Christmas Eve Service, Sly Jr., and Wacky Wednesdays.

What a wonderful diverse Children's Ministry program St. Luke's has because of the volunteer support and tireless effort of this very dedicated group of people.

If you haven't gotten involved in Children's Ministries, please do. It is true, the blessings you give will come back to you many time over.

Have questions? Can't wait to get involved? Contact: Lynne Butler, Preschool Ministries at 303-791-0695 ext. 11 or

HAPPY BIRTHDAY BABY JESUS!

We will also have our annual pajama day and Santa will visit with treats. We will be collecting Toys for Tots, a fun way to share our many blessings! It is a very exciting time and we love to see the wonder in the children's eyes. We know that the true meaning of Christmas and the Christ child lives in the hearts of our little ones.

Thank you to everyone who contributed extra Halloween candy to the Aid Project! We took several pounds of Candy to the adults and children impacted by HIV and AIDS. The project director was so pleased to have all of the leftovers to share with everyone!

Little School will have their annual Christmas programs on December 19th and 20th and then enjoy a Christmas break December 21st through January 3rd. We will return in full force on January 4th. We wish you all a very blessed family time and wonderful celebration!

Stephen Ministry Training Class in Home Stretch

The class of 17 Stephen Ministers at St. Luke's is nearing completion, with just a few class sessions left before the class is commissioned in January.

Our trainees have worked extremely hard and their dedication is paying off, says Stephen Leader Sherry Merrill. The course has involved pre-class reading assignments and in-class lecture, discussion, and role playing. Our trainees are showing some real growth in knowledge and skills.

I've found the skill practicing to be the most valuable component, says trainee Marcia Enger. It takes what you are learning out of the realm of theory and turns it into something you have to apply. It can be very challenging to role-play, for instance, that you are ministering to a young mother whose husband has just died. But it is extremely helpful because it prepares you for actual care giving

situations.

"During the skill practice there has been real ministry going on too", says trainee Steve Treat. When you learn and discuss grief, you can't help but surface genuine issues from your own life. When this happens, we find ourselves ministering to each other. All of that will help us be better caregivers later on.

"The emphasis on confidentiality is important for potential care receivers", says Pastoral Care Minister and Stephen Leader Pam Rowley. Most people are reluctant to share their problems and situations because they're afraid of others finding out. The confidentiality of Stephen Ministry lets people know they can discuss difficult concerns with their Stephen Minister and not be afraid of others finding out.

Remaining topics include:

Dealing with Depression:
The Stephen Ministers Role

Supervision: A Key to Quality Christian Care and How to Make a First Caring Visit

When these topics are completed, the trainees will be commissioned as Stephen Ministers and receive their first care giving assignments. But even then their training is far from over.

"Continuing education is an important component of Stephen Ministry training", says Pam. Stephen Ministers will meet for continuing education twice a month, even after they begin meeting with their care receivers. The goal is for Stephen Ministers to continually enhance their skills and learn new ways to care. We want them to provide the best care possible for their care receivers.

Chris' Corner - A King-Sized Bed

Christmas time already? Time to worry about relatives, time to stress about finding a great gift for everyone, time to freak about gaining weight at all those holiday parties... Nope!

It's time to enjoy the simple things in life, time to wonder at the birth of Jesus the Christ to a modest family in even

more modest surroundings. The Alpha and Omega, God among us, born surrounded by animals and those that cared about him most. Not lying in the comfort of a crib, or on cushy bedding; instead lying in a manger filled with hay. I mean, of course Jesus had to suffer a little bit by the end of his life, but why would God place his only Son into an uncomfortable manger surrounded by animals? I know babies smell a little, but not that bad...

Perhaps God provided us a preview of the inside-out & upside-down ministry that Jesus would begin as an adult. To find yourself, lose yourself in me. To become truly rich, discard your earthly possessions. To lead you must follow. Who would have thought that the King of Kings and Lord of Lords could fit into something as humble as a manger?

This Christmas season, do not stress over family, time, or the gifts you will give and receive. Instead begin to think inside-out & upside-down: That a simple manger really is a king-sized bed, and that sometimes the simplest gifts of all are those most remembered.

Blessings and Happy Holidays! Chris

Estimate of Giving Cards:

If you have not completed your estimate of giving card for 2006, I encourage you to do so as soon as possible. We are in the final stages of completing the 2006 budget. It would be helpful to have as many estimates of giving as possible to substantiate our projection for 2006 revenues. If you need a card to fill out, call me at 303.791.0659 Ext 24.

New Convenience For YOU---Electronic Funds

Transfer: We continue to embrace technology and are continuously seeking giving options that you might find most convenient for your family. We have applied to VANCO Services to be a participant in their e.service Electronic Funds Transfer Service with plans to have the first transactions happen on January 1, 2006. The Finance Team reviewed other providers but found VANCO has the most economical fee structure due to an agreement they have in place with The United Methodist Church. Many prefer this method of payment rather than writing checks and already use it for mortgage payments, etc.

You will be able to choose a donation frequency of monthly or semi-monthly. We will have a sign-up table here at the church as soon as the Authorization Forms are printed. The forms will allow you to indicate the amount, frequency and the banking or savings account from which you want the funds withdrawn.

Budget Update: Our trend for having good financial months continued through October. October was a very good month for giving. I'm more encouraged that with this trend and by paying close attention to our spending we will be able to pay our bills for the remainder of the year from cash flow.

Year End Cutoff Dates: I'm sure some of you will want to make sure you complete your 2005 pledge before the end of the year or in some cases you may want to do that and pre-pay some of your 2006 planned giving. If your check is postmarked before January 1, 2006, or we actually receive your check before that date, your contribution will be posted as a 2005 contribution unless you specifically give instructions that it is to be posted as a 2006 contribution. **We cannot post back-dated checks to 2005.**

In the event you want to contribute stocks, the ownership transfer must be completed before January 1, 2006, for the contribution to appear as a 2005 contribution. I.e., the stock must be transferred to our account before January 1 or we must receive the endorsed stock certificates here at the church in the same time frame outlined above for checks. These transfers may take a few days to complete so you should get the process started early. We have an account at Charles Schwab for you to use in doing these transfers. Call or email me and I will provide the account information you need.

Thoughts from Fred

In a recent class the subject was "Worldview." My consciousness of a worldview was slow a-dawning. I'm limiting this statement to a worldview as making one feel safe, or unsafe. As a kid, even during the Depression, I felt safe. My parents, and Brother Bonner, our pastor, made me safe locally. President Roosevelt took care of the bigger picture; I felt safe with him. And beyond that, God, in Heaven, took care of the Really Big. They all were "in charge."

Later I grew past parents and pastors. Some presidents made me feel safe, a couple unsafe. God was still in Heaven, but Browning's, "God's in his heaven--- All's right with the world," began to crumble. The Really Big picture was confusing. Why didn't God stop the Holocaust; and the Indian Ocean tsunami, Katrina, Rita, and Wilma? I preached, "God loves you," which soothed me, but didn't ring true for many. The image of God as an "idealized Superman" in the sky who pulled strings and protected my favorites began to fade. Over the years a

different image of God appeared. So, with a different image, now who's "in charge?"

God is still "in charge." Now, for me, God has changed places of residence. God now is IN me, and IN you. God is "in charge" THROUGH you and me. No longer do we need look to others for safety, and to a God in the sky, but to look within, where God is. It is an awesome responsibility to be "in charge." I had to "take charge" from my parents, a sobering thought. And that God is using me is a heavy responsibility. Paul gave us the clue as to how this is: "I have been crucified with Christ; and it is no longer I who live, but it is Christ who lives in me." (Galatians 2:20) I believe God is very much "in charge" IN us and IN the world, not above and beyond it. And God is using ordinary people, like you and me, and some bigger ones, to make sure the world is a safe place. The world needs me, and you. That is a challenging worldview!!!

Ministry Opportunities

Prayerfully consider *your* part in St. Luke's!

"The gifts he gave were that some would be apostles, some prophets, some evangelists, some pastors and teachers, to equip the saints for the work of ministry, for building up the body of Christ, until all of us come to the unity of the faith and of the knowledge of the son of God, to maturity, to the measure of the full stature of Christ."

Ephesians 4:11-13

Called to Serve

Are you searching for a way and reason to get connected at St. Luke's? Whether you have been attending for a while or you just arrived here, we invite you to attend one of our monthly discovery classes. In this class "Called to Serve", we learn that we are born to serve God and follow in Jesus' footsteps by serving those around us. We grow by giving and grow by receiving. Let me help guide you on how you can change your life by serving through and at St. Luke's.

On the first Sunday of each month, I will give an orientation of the programs offered at St. Luke's and help to clarify your spiritual journey towards living a

God-centered life. Plan to attend one of these days:

Date: First Sunday of every month (Jan.-Dec.)

Time: 9:30am-10:30 am

Location: Conference Room
