Missional Opportunities to Serve

Rev. Janet Forbes
Senior Pastor

The goal of the St. Luke's Missions team is to provide a wide range of mission opportunities so that every member of our congregation can find a personal way to help others in need. We support missions locally as well as internationally. You can volunteer to help directly with any of the missions we support. You can also participate in our fundraising activities such as our many music and drama ministry performances. Every year \$30-40,000 is raised to support a variety of missions. You can participate in our Christmas Giving Trees for Interfaith, Urban Peak, HAAT Force and the Pura Vida Milk Program for Guatemala. You can join one of the mission trips St. Luke's takes to Guatemala and other destinations. In addition, you can bring food for Denver Urban Ministries or contribute to the annual One Great Hour of Sharing Offering for UMCOR. We hope that through this wide variety of missions' opportunities each member of St. Luke's will find at least one missions opportunity that they can feel passionate about and with which they can become personally involved. **Join us!**
