

**St. Luke's UMC  
Building Use FAQ  
June 1, 2020**

**Is the church office open?**

No. At this time the church office is closed. The voicemail and church emails are checked daily, so please don't hesitate to contact us.

**Is the building open?**

No. At this time the church building is closed.

Essential worship personnel are in the building for worship. These individuals are required to wear a mask and maintain physical distancing.

**Are staff working in the building?**

No. Staff are working remotely, and you can reach them by phone or email.

**Can I still give to the church?**

Yes, we will gratefully accept your gifts. You can mail your checks to the church; click the donate button on our church website; use the church app; schedule online payments through your bank; or set up regular withdrawals by filling out paperwork found on our church website.

**How long will live-stream worship be available?**

St. Luke's plans to continue live-streaming worship even after we return to in-person worship.

**When will we return to in-person worship?**

That is still unknown. We are currently planning for live-stream worship through July.

**When will the building re-open for groups and events?**

That is still unknown. We are currently following guidelines and policies established by the state, county and the Mountain Sky Conference of the United Methodist Church.

We have allowed a small, pre-selected, number of programs to return to the building in June and July in an effort to refine our policies and procedures. These individuals are required to wear a mask, maintain physical distancing, and sign a waiver.

**What is happening with Little School?**

Our preschool is scheduled to open in the fall. If you would like to schedule a tour of the preschool, please contact our director, Kelly Amadeo.
