

BUILDING USE

PHILOSOPHY, POLICIES AND PROCEDURES FOR

ST. LUKE'S UNITED METHODIST CHURCH

I. PURPOSE

The St. Luke's United Methodist Church building serves as a place of worship and a center for church-related programs. The physical facilities may also serve to facilitate a wider ministry to the community. To the extent that space and time are available, St. Luke's should serve our community by making our physical facilities available for programs that will benefit the larger community.

II. POLICY

Priorities for use, in order:

Tier 1: Church Programs and Activities — Any program of the church organized by a group or member of the church. Activities may include: approved fund raising projects (see separate fund-raising policies), weddings, funerals, memorial services and receptions. Fees may be charged for facility use (see fee schedules).

Tier 2: Church Partners — Activities of groups such as the Performing Arts Academy (PAA), Wesley Players Theatre Company, District or Conference groups of the United Methodist Church, and groups officially chartered by St. Luke's (e.g., Boy Scouts). Fees may be charged for facility use and are negotiated on a case-by-case basis.

Tier 3: Community Use / Non-Member / Non-Church Program sponsored — Non-profit and non-commercial community activities that are not organized by the church (12 step groups, Homeowner Assoc., etc.). Community activities must have open membership without limitations due to race, gender, national origin, religion, and/or physical ability. Commercial endeavors and personal for-profit activities are not allowed. Space may be requested up to six months in advance. Fees will be charged for facility use (see fee schedules).

Regulations Governing Use:
See Appendix A.

III. PROCEDURES

The church facility must be scheduled through the church office and reserved on the church calendar. Priority shall generally be on a first come basis. In case of scheduling conflicts, higher priority tiers (lower tier numbers) will have priority; conflicts may also be resolved between the parties requesting space. The church office will resolve conflicts if required.

1. All church activities using the facility are required to adhere to the *Regulations Governing Use* in Appendix A.
2. All other groups must sign the *Application for Use of St. Luke's United Methodist Church* before use.

Recurring Usage by Outside Activity —

1. Requests for ongoing usage must be requested with an *Application for Use of St. Luke's United Methodist Church*. Requests should include: facility space requested, identified support needs (custodian, etc.), the type and purpose of usage and specific dates and times requested. Open-ended requests may not be honored. The church office and the Trustees will review and approve requests.
2. Church usage will be reviewed annually by the Office Administrator and Trustees; a report will be made to the Executive Team.
3. Deposits and fees must be paid in advance to the office. Key card deposits will also be required if a key card is needed (for members and non-members).

IV. SPECIFIC USAGE POLICIES

V. Fees and Cleaning Deposits

Church programs and community activities contribute to wear and tear of the facility. Members and constituents participate in utility costs and maintenance through their regular contributions. Outside community users are asked to contribute toward utilities and maintenance of the facility. These guidelines are for the uniform and general use of the facilities at the church.

Church-sponsored activities do not pay fees or cleaning deposits, except for kitchen fees and cleaning deposits; this all applies to groups officially chartered by St. Luke's (e.g., Boy Scouts). A deposit of \$50 will also be required for all church functions using the kitchen; this deposit will be returned only if the kitchen is left clean and all items have been put away. A kitchen trained person must be present at all kitchen functions, or a Fellowship Events Team person must be hired for \$15 per hour.

An additional \$80 weekend cleaning charge will be assessed to all groups using the church on Friday afternoons and nights and any time on Saturdays. This is required to pay the cleaning staff for working outside of normal business hours to prepare the church for Sunday morning worship.
