

August 16, 2020 ~ Preschool Sunday School At-Home Lesson: "The Beatitudes" pt. 2

Story Overview:

The first teachings of Jesus found in Matthew's Gospel is called the Beatitudes. These verses below tell us how to truly be happy. Having lots of money or many things will not necessarily make all people happy. Happy people are able to show mercy to others. They are pure in their thinking and they work together to bring peace in our world. These things are important to God. We can find true happiness when we focus on the things that are important to God. How wonderful Jesus came to teach us and show us how to live with a good attitude remembering we too are blessed. Read the beatitudes below with your family and remember to live with an attitude of blessed.

Scripture: Matthew 5: 1-3

Jesus saw the crowds who were there. He went up on a hill and sat down. His followers came to him. Jesus taught the people and said: "Those people who know they have great spiritual needs are happy. The kingdom of heaven belongs to them."
