The Light of the World

In the middle of the night a man named Nicodemus came to see Jesus. It was an odd time to visit but Nicodemus had many questions about God. That night Jesus and Nicodemus talked for a long time. Jesus told him, "All you need to know is, God loves you. In fact, God loves everyone. Tell this to everyone you meet. God loved this world so much that God sent Me, His Son, so everyone would know just how much they are loved."

"I Am the Light of the World! I am all the is good and right, and God sent Me to light of the world. Unfortunately, some people like darkness better than light. When we do bad things the light is not in us. When we are hurtful or harmful the world can look like a dark place. But when we do things that are good and feel right – when we love each other and help one another- God's light shines brightly in our world."

Scripture: John 8:12

Again Jesus spoke to them saying,
 "I am the light of the world.
 Whoever follows me will never
 walk in darkness
 but will have the light of life."

Second Sunday in Lent

- How can you shine your light so others can see Jesus in you?
- What do you think would be some things people do on a playground that show they are following the light?
- What would happen if you stood up for someone being picked on in the playground?
- How would that person feel? How would the bully feel? How would you feel? How would Jesus feel?

Light a candle as a family and think of ways your family can give back and be a light to others during Lent.

Say the prayer below together as we continue our Lenten journey.

Dear God,
 Thank you for your son Jesus and the path that he walked for us.
 Help us to see Him as our light that shines the way through our Lenten journey. Help us to be light in the world during Lent and always.
 Thank you for loving us, we love you
 Amen
