Praise God

There are lots of poems, songs and prayers called Psalms in the Bible and this is a special one.

Hooray for our awesome God!
God made you and me and everything else!
God you are so amazing strong and
And creative.

When I look up into the sky at night and see the moon and all the stars you have made, it makes me extra glad you care for me.

You ask us to work with you-to help care for everything you made. And you have given us a job to do. You want us to care for the Earth and everything and everyone that lives on it. All the animals, birds, fish and people.

Hooray for our awesome God!
God made you and me and everything else!

Scripture: Psalm 8

“LORD our Lord, your name is the most wonderful in all the earth! It brings you praise everywhere in heaven..”

Family Discussion Questions

How do you help God care for the earth and everything and everyone that lives on it?

Dear God
Thank you for the beauty of today.
May our lives be filled
with your goodness
as we walk
in the spirit of your love.
Help us to share your love
with others and the earth!
Amen
