**At-Home Lesson:**  
**“A Message from God”**

**Story Overview:**

Moses was talking to the Israelites before they moved to their new country. Moses told them there is only one God and we are all part of God's family. Love God with everything you say, think and do! The Israelites were grateful for the new country and all God had done for them but what if they forgot about God in their new home?

Moses told them, “Teach your children about God, talk about God at home, when you go places and at bedtime.” They chose to speak about God and God's love for each of them each and every day. They never forgot about God and remembered to love God with all their hearts, souls and strength.

**Scripture: Deuteronomy 6:5**

“Love the Lord your God with all your heart, soul and strength.”
