## "The Greatest Commandment" pt. 2

### Story Overview:

One day of the Pharisees said to Jesus, "Teacher what is the greatest law?" He was trying to trick Jesus. Jesus looked at the man and smiled, "Love God with all your heart, soul and mind. This is the greatest commandment. But there is another important one too. Love your neighbor as yourself."

They were surprised Jesus had an answer to their question. Then Jesus had a question for them, "What do you think about the Messiah and whose son is he?". They grew up learning the Messiah came from the family of David so that is what they told Jesus. Jesus asked them, "Why do all people praise David as the Messiah? David refers to God as Lord, if the Messiah is the son of God why would David call his Father Lord?" They decided never to trick Jesus again.

### Scripture: Matthew 22:37-39

**"Love the Lord your God with all your heart, soul and mind. This is the first and most important command. And the second command is like the first: Love your neighbor as you love yourself."**

### Family Conversations:

Our words are powerful, remember to always use your words for good. Before you speak remember to ask yourself these 3 questions:

1. Is it true?
2. Is it good or uplifting?
3. Is it necessary?

**As a family encourage one another to radiate kindness and positivity in our world through our action and words!**

Dear God,

Thank you for JESUS and the commandments to love one another. Watch over each of us as we head back to school and keep us safe. We promise to love you, God with all our heart, soul & mind And to love our neighbors as we love ourselves.

Amen
