## A community of faith

Sometimes when someone finds out that I go to church at St. Luke's, they say, "That's a liberal church." My reply is, "You haven't talked to many of our members." One of the things that I enjoy about St. Luke's is that our membership includes people who cover a broad range of the theological spectrum.

For me it helps to provide a stimulating environment for study and discussion and helps me grow in my faith. Methodism does not bind people together with doctrinal certainty and agreement, but with a commitment to living faithful lives and understanding the role of God's Grace in our lives.

St. Luke's is a community of faith, a group of people who are striving to live their lives trusting in God. The role of the community is to support each other in that endeavor and to provide the resources to help each other grow in our faith. Even though Grace is a gift, John Wesley believed there were things we could do to make ourselves more open to Grace and to give the grace in our lives perspective and context. He called these "means of Grace."

**Part of a continuing series**

They include prayer, fasting, study of scripture, Christian community, acts of mercy, and communion.

If you look at all of the programs that the St. Luke's community supports and participates in, you will see that means of Grace are a part of all of them. Which programs should you be involved in? Any of them that help you understand the role of Grace in your life and help you live faithfully. Jim Ramsey's great music program, the mission committee's splendid program, fellowship groups, the prayer chain, Disciple Bible study, adult and children's Sunday school, or Communion the first Sunday of every month, all are here to support you.

If you enjoy living in a community of people with diverse beliefs, but a commitment to faithful living, St. Luke's can provide a church home for you.

ST. LUKE'S UNITED METHODIST CHURCH

## A few last words from your former senior pastor (until fall, anyway)

WOW!!

Thank you for your warm welcome of Janet Forbes as your new pastor. All my senses tell me that she is the person to be our pastor at this time. She will be different from what you have had in the past, and it is not just a male/female difference. I can tell you she hit the ground here a-running. Our website, for longer that it should, had a byline about St. Luke's like, "One of the fastest growing churches in the Rocky Mountain Conference."

And it was. But that growth slowed down, and became a plateau about the time I came on the staff in September of '01. No! I don't think the two are connected, just coincidental. What caused it? The causes are not as important as our taking a deep breath, and getting a fresh start on being the church we need to be, and can be. A new pastor is a first step in getting that fresh start, and Janet is the chosen one.

My "WOW!!" above is my reaction to my time being on staff here, especially the last ten months. This has been a dream come true for me. I feel St. Luke's has served me more than I have served. In my active career I had twenty-five consecutive years as senior pastor of three different churches, all with memberships above 1,600, the largest having 2,600 members. I think there is great value in the large church. I am sure that St. Luke's is getting back on track and becoming again "one of the fastest growing."

I have heard Janet say on more than one occasion, and she says it so quietly that it is almost never heard: "I grow churches." And her record bears this out.

Of course size and numbers are not the goal. But size and numbers mean more possibilities and opportunities for the real goal: serving the people, the community, and advancing the Kingdom of God.

I bless you and Janet as you get started together in a great future, and I hope to be back in September after a time of reflection and rejuvenation.

*Fred Venable*

**Volunteers honored**

On Friday, May 14, 2004, Andrea Mezger, Betsy Keyack and Laurie Gilbert attended the DOVIA (Directors of Volunteers in Agencies) "We Count On You" Awards Luncheon.

Linda Backus, who is on the missions committee, nominated the St. Luke's refugee/mission team for sponsoring Sharon Jargba and her 4 children, since their arrival to the United States from Liberia. Andrea Mezger was a special nominee on her own, for her dedicated work with the Douglas County Adult and Senior Service programs. Way to go Andrea!

We were treated to a wonderful lunch and had the great pleasure of learning about the many wonderful projects other nominee's are currently active in. On behalf of the many participants who help the Jargba family, we received a very nice certificate to bring back to St. Luke's. At this time, we would like recognize a few of the people who visit with the Jargba's on a regular basis, Jan Rufien or better known as Grandma Jan, Caroline Merchant, Diane Tolleson, Marie Thomas, Betsy Keyack, Laurie Gilbert, Leslie Reingold, and Joan Theodore.

We would also like to thank the many wonderful members who help with so many different items needed for a single mother raising 4 children on her own. It was a real treat to be a part of this special afternoon, once again, thank you Linda and thank you DOVIA!

**Little School finishes exciting year**

Little School has finished another wonderful, fun-filled, exciting, nurturing, zany, energetic, outstanding year! We just graduated another amazing group of little people, 125 smiling, happy faces! We always feel joy and sadness during this time, but we are very blessed to know that we have well-prepared these precious gifts from God for a new adventure outside of Little School.

A great BIG thank you to St. Luke's for all of their support, prayers and care for our Preschool. On a personal note, I would also like to thank the St. Luke's staff and congregation for their comfort, prayers and support through my cancer year. Treatments are soon ending and I am looking forward to a restful summer to regain energy and momentum! Just like my self, Little School is looking forward to a summer of planning and goal setting to celebrate our 10TH YEAR starting next fall! We can't believe that we have seen so many children graduate from our program and some are now in the fourth grade!!! We plan a year full of special celebrations and we hope that many of you will plan to attend!

Please have a summer filled with carefree days and sunny family times. If you need to reach Little School through the summer, you may leave a message at school (303-791-1982) or you may e-mail us at [littleschool@stlukeshr.com](mailto: littleschool@stlukeshr.com) (e-mail is faster!) and we will be in touch with you. Little School will begin with a parent open house on September 2nd and a children's open house on September 7th. School will officially begin on Wed. September 8th. SEE YOU THEN!

*Blessings, Ms. Kay and the Little School Staff*

**Children in need – Can you help?**

Airline Ambassadors International periodically delivers items to El Salvador, where years of civil war and natural disasters have left many villages in shambles and people displaced to refugee camps and numerous orphanages.

These people desperately need help. We have resources; they have needs.

Please bring your like-new contributions, marked "El Salvador," to the Missions Closet at St. Luke's. These are the items that can be delivered:

1. Hot-weather clothing (not shoes) for babies, children, and small adults.
2. Hot-weather maternity clothing.
3. Like-new (small) toys and stuffed animals.
4. Certain medical supplies.

If you have questions, please call Marcia Enger at 303-471-7463 or Linda Rathbun at 303-674-8017. Thank you!

For information about any Children's Ministries events or to volunteer, please contact Jenita Rhodes, Director of Children's Ministry, or Lynne Butler, Preschool and Childcare Coordinator.

**Library benefactor Vern Harder dies**

On April, a beloved member of our church, Vern Harder, passed away. If the name seems familiar to you, it is because our children's library, the Faith Harder Memorial Library, was named after Vern's wife Faith, who passed away in 1997. Both Faith and Vern were teachers and administrators in the public schools. Their love for children and books is a lasting legacy.

Vern was the primary benefactor for the library, both financially and spiritually. In his honor, we will be dedicating a new parenting and teacher resource section. If you have any suggestions for new acquisitions or would like to help care for the library, please contact Jenita Rhodes 791-0659 x 27 or Terri Beecher x 22.

**Read to Feed – Children Changing the World**

This summer we will be launching Heifer International's Read to Feed program. As a group, our children will view THE PROMISE video, about two children who share the same dream—hope for a life free from hunger and poverty. We will provide a suggested reading list, or children may chose books they are interested in. The children will collect sponsors, who will pledge money for each book read.

Heifer International provides a "living loan" of an animal and extensive training in animal care, community development and earth-friendly practices. The family's health and standard of living improves by the many benefits their animal can provide—milk, eggs, wool, fertilizer, draft power, etc.

The family repays the living loan by passing on one or more of their animal's offspring to another needy family. And that family passes on more offspring... and so on... and so on. Just one gift animal can eventually transform an entire community.

We hope you will support this effort by St. Luke's Children to provide a cow, goat, sheep, bees, ducks, geese, chicks, llama, water buffalo, rabbits or pigs to help less fortunate families all around the world.

## United Methodist Women Update

A huge welcome to our new members, Jenn Mell and Erika Brimberry! We're so glad to have you join us!

### CIRCLE UPDATES

#### Playgroups

Do you have a child between the ages of 2 1/2 - 3 1/2? Bring them to a playgroup! If interested, contact Amy Antonero. A playgroup for children between the ages of 18 months and 2 1/2 might be started soon. Let Kristin Perry know if you are interested.

#### Bible Study

The Friday Bible Study is full, but the Wednesday Bible Study still has room for anyone who would enjoy studying God's Word and fellowshiping.

#### Parent's Night Out

We still have openings for three families. Come enjoy a night out (and remember what it was like *before* you were a parent!) on the 2<sup>nd</sup> Friday of every month from 6-10 p.m. All that's needed is for you to volunteer 2-3 times per year.

#### Crochet

These ladies have been crocheting their hearts out! In December, lap blankets were given to five area nursing homes. They were received with much pleasure!! In February, hats of all sizes were given to The Needy Newborn Program at Denver Health, The Ronald McDonald House, and The Gathering Place. Every organization that received these hats were very grateful as there were many needy people who could use a warm wool hat. Thank you ladies for your efforts! They will be breaking for the summer, but will be working their fingers and needles again come September. However, the yarn supply is dwindling. If you have some yarn that you would like to donate to the Crochet Circle, please contact Lynn Montagne.

#### FELLOWSHIP

The Spring Couples Social was great fun! Ten couples enjoyed the wonderful evening that the Holton's put together.

The Women Living in Faith Retreat was held on May 7<sup>th</sup> and 8<sup>th</sup>. Spiritual uplifting and wisdom gathering was experienced by those who attended.

The June Social is tentatively set for June 18<sup>th</sup>. It will be a UFO night (unfinished objects) where you can bring whatever you want to work on and enjoy an evening of socializing. Contributions will be \$15 with \$5 donated to the Women's Crisis Center, \$5 to the Women's Bean Project and \$5 for pizza!! Come enjoy the fun!

#### DONATIONS

**SENIOR DAY** Rev. Dave Money reads excerpts from *The Places You'll Go*, as part of the recognition of our graduated seniors on May 23. Rev. Money took a chance and began his few moments of advice with, "When I was your age..." but managed to keep everyone's attention. Photo by Ken Fong

**Resolution on Church Unity**  
As United Methodists we remain in covenant with one another, even in the midst of disagreement, and reaffirm our commitment to work together for our common mission of making disciples of Jesus Christ throughout the world.

*Adopted by the 2004 General Conference of the United Methodist Church May 7, 2004*

Above: Brad Laurvick, member of St. Luke's since 8th grade, and recent graduate of the University of Colorado, Boulder, was a lay delegate to the General Conference in Pittsburgh, and joined Rev. Janet Forbes, recently installed senior pastor of St. Luke's, a clerical delegate to the Conference, to discuss what happened at the Conference.

#### Their view:

### Issues facing the church

- Aging clergy. Specifically taking care of those who took care of us. Pension plans for retired clergy are requiring increasing dollars.
- Initiative regarding youth and young people received all the funding the committee leadership asked for.
- The public media campaign, called "Igniting Ministries," received \$22 million over four years to expand church presence on cable television, especially in the three weeks before Christmas and Easter, and during the fall kick-off.
- The World AIDS Fund received \$8 million in funding.

### DID YOU KNOW?

Of every **\$1** you give...

83 cents stays at St. Luke's... 12.8 cents goes to our jurisdiction and annual conference (with largest line item paying health insurance for retired clergy... and 4.2 cents goes to the general Church.

## Confrencing as means of grace is theme of May 19 church meeting

Nearly 100 church members heard about the General Conference from two of our leaders who were actually there. The presentation helped balance what some saw as incomplete and sometimes controversial coverage by state and national media.

### Quotable

*Janet Forbes and Brad Laurvick were among the nearly 1,000 delegates to the UMC general Conference in Pittsburgh.*

General Conference was amazing. Full of ups and downs... 18-hour days, 14 days straight. I'm 22, and I was hurting... I don't know how some of the others managed.

*Brad Laurvick*

During the Conference, the Church embraced the Methodist Church of the Ivory Coast, and grew by one million members.

*Rev. Janet Forbes*

Only 8 percent of the residents of the state of Washington are churched, and the UMC in the West has declined by 20 percent in the past ten years... I grow churches... that's my agenda.

*Rev. Janet Forbes*

People from the Southeast church see me as liberal. I'm conservative to the West. People need to care about the "Methodist middle."
