What is Stephen Ministry and how did it begin? It started back in 1974 when Kenneth C. Haugk, a pastor and clinical psychologist, was pastor of St. Stephen's Lutheran Church in St. Louis, Missouri. He was looking forward to making a positive impact on his congregation and community by providing pastoral care to all those experiencing divorce, grief, hospitalization, discouragement, and other life difficulties.

Very quickly, though, he found that the needs for care far exceeded that which he alone could provide. With prayerful consideration he realized that God didn't intend for pastors to monopolize ministry. Rather, God gave all his people gifts for ministry and one of his roles as pastor was to equip others to use their gifts. Stephen Ministry is a ministry in which trained and supervised lay persons provide one-to-one Christian care to individuals facing life challenges or difficulties.

Over the past 30 years this not-for-profit ministry organization has trained thousands of lay people in all 50 states, most Canadian provinces and several other countries to provide distinctively Christian care to people who need it. Recently, five members of St. Luke's completed the seven day intensive training course to become Stephen Leaders. Pam Rowley, Doug Rowley, Sherry Merrill, Sallie Suby-Long and Sue Townsend will begin Stephen Ministry training classes this fall to bring this ministry to our congregation and community.

Being a Stephen Minister requires a 24 month commitment of service to the program. Fifty hours of training will be broken down into twenty 2-1/2 hour sessions and will include, among other topics, The Art of Listening, Min-

istering to Those Experiencing Grief, Confidentiality, and Distinctively Christian Caring. After training they will provide quality one-to-one ministry by engaging in a care giving relationship that focuses on the unique needs of one person and lasts as long as the needs exist.

The rewards of being a Stephen Minister far exceed the commitment required. Many Stephen Ministers report that the friendship and support of the Christian community, personal growth through the training, service, and supervision, as well as enhanced relationships with family, friends and co-workers are all benefits that they receive through this program.

Any individuals who feel the call to serve Christ by bringing comfort to those in need are encouraged to contact Pam Rowley at the church 303-791-0659 or Sue Townsend 303-220-8830.

Our last work day was a huge success thanks to the efforts of our dedicated and passionate drama ministry, always ready boy and girl scouts, our terrific trustees, their fantastic families and friends who made it to our church for the session. Although the weather didn't cooperate, these participants really did; attacking weeds, trimming bushes, fertilizing our lawns and making sprinkler system repairs. They even took on one of the most daunting tasks known in every suburban home -- they cleaned out our garage!

Inside, the volunteers cleaned and repaired lights, washed walls, and completed touch up painting. They sorted, repaired and moved chairs back to their places, then cleaned and reorganized several storage closets. All in all an amazing assortment of tasks were completed in record time. What a difference you all have made for everyone stepping inside.

As we near the end of the summer, we're already planning our next work day for August 27 from 8:00 - 12:00, just in time for our fall kick off activities. Please plan to join us then. Thank you all for making such a big difference for our church community, we could not manage this home without your continuing dedication commitment.

### *Thoughts From Fred*

Having been such a lousy student myself, it surprises me that I am an advocate for education: reading, studying, thinking, becoming intellectually competent - things like that. Coming down to my last semester at the university I had a grade point average of .9454, and needed a 1 point (C average) to graduate. I signed up for 15 hours believing I could make it with 3 Bs and 2 Cs. I made 4 Bs and 1 C. I made a B I didn't even need! I graduated with a 1.0389 grade average. I was 852 in a class of 924, or in the upper 92.21%. That also meant I was in the lower 7.79%.

But somewhere through the years I became a believer in education. Not that that means I rank high among my ministerial peers, but in the church among lay folk, I do okay. I'm not smarter: St. Luke's is crowded with folks smarter than I, and who were and are great students in their chosen field. But in church, where there are no three month finals, or no periodic employment reviews, it is easy to consider biblical

and theological wisdom as optional, certainly not urgent. A lot of our education has to do with making a living, and most in St. Luke's do that very well, but there is such a thing as education for making not a living, but a life. And it really is not all that optional. Those life "mid-terms" happen often, and without notice. And you can go through a "life review" without knowing it.

At this writing I don't know what St. Luke's is offering in adult education, but I am sure there is something for you. Check it out, sign up. And remember, in St. Luke's, the emphasis is not on acquiring information, but on learning how to assimilate it, how to think creatively. In St. Luke's, it is not remembering facts spewed out by some authority figure, but going through the struggle of fashioning your own self understandings.

Blessings,

Fred Venable

### A message from Ann

Hey Youth – St. Luke's Youth will be hosting the 30-Hour Famine Saturday – Sunday, August 6-7. The 30-Hour Famine will give you the chance to *taste* real hunger – and do something about the millions of kids around the world who *know* real hunger every day. Before the Famine, you'll raise money from sponsors (neighbors, friends, parents) who support your efforts. During the Famine, you'll learn about hunger around the world, what it's like to serve the community on an empty stomach, and the joy that comes from sharing this experience with other Youth. At the end of the 30 Hours, we will "break the fast" by sharing communion with the congregation.

#### **"It will be two days you'll never forget!"**

Members of the congregation will have a chance to stand with the Youth during the Famine. During the period of August 6-7, members are asked to skip a meal (or two!) and donate the money that would have paid for that food. We will also be accepting canned food items to be given to Harvesters after the Famine.

All Money raised will benefit World Vision, a Christian relief and development organization dedicated to helping children and their communities worldwide reach their full potential by tackling the causes of poverty. Through World Vision, it takes only \$30 to feed and care for a hungry child for a month! Where else can \$30 go so far and mean so much in the life of a child?

If you'd like to participate in the 30-Hour Famine, eat breakfast at 6:00 am on Saturday, August 6. We'll meet at church at 8:00 am to begin our activities. If you can't be there all day, refrain from food during your activities and join us when you can! We've packed the rest of the day with activities that will create the experience of a lifetime. See you then!!
