### Learning Some Old Concepts for a New Day

*"You shall go there, bringing... your tithes and your donations, your votive gifts, your freewill offering..."*

*- Deuteronomy 12:5-6*

When we begin conversations about generosity and gratitude, the pastoral team is often asked about the origin of the biblical phrase "tithes and offerings". These biblical concepts still name the vibrant ways we choose to give.

The TITHE represents 10% of the bounty with which God blesses us. It is also the symbol that Paul uses when he writes to the young churches of the first century. He calls for "proportional giving". We are to give in proportion to what we have earned, in proportion to what we have accumulated, in proportion to what we possess. We are to give in proportion to how we have prospered under the grace of God. So, "tithing" is a symbol for planned giving. Tithing helps us give significantly in a systematic way. It is a planned share in the purposes of God. Tithing reminds us that we are all stewards and not owners. A tithe is a guide toward responsible, healthy, significant faith-promise giving.

A TITHE represents what you plan to give to the ministry and mission of the church. It is your plan - freely decided upon. It is promised out of your financial means, and cheerfully given. The tithe is the amount we bring weekly or monthly as an act of worship.

Next we are enjoined to bring our OFFERINGS. The Bible knows at least two kinds of offerings which have connection with our lives today. First, there are the "votive offerings". Votive offerings are part of a vow or promise, or they represent a specific act of thanksgiving to God, or a personal act of devotion. Seasonal offerings, missional giving, bequests, and memorials are in the category of votive offerings.

The biblical witness also speaks of "freewill offerings." It is an unplanned, unstructured, unexpected out-of-pocket offering on the spur of the moment. The freewill offering is giving out of a sudden impulse of love, out of a felt need. It is the envelope in your worship bulletin when you arrive on a Sunday morning that invites a response for a special cause. It is the call for a special disaster relief offering due to flood, or hurricane. It is the spontaneous gift to the pastor's relief fund for homeless persons. It is a breakfast burrito to support a Guatemala Mission Team or our Boy Scout Troop.

Bring your tithes and your votive offerings and your freewill offerings to the house of worship. The text is an amazing ancient writing with a high level of contemporary relevance. It all adds up to a single central truth: As we give of any monetary amount, we are primarily receivers and transmitters of the love of God in the world. Ultimately, that's what any giving is all about. *-Rev. Janet*

## The Net: Making a Difference and Changing Lives for Good

*I have heard about your faith in the Lord Jesus and your love for all of God's people. So I never stop being grateful for you, as I mention you in my prayers.*

—Ephesians 1: 15-16, Contemporary English Version

Throughout October, we will celebrate the St. Luke's community: connecting and changing lives!

Relationships are the ties that bind us together as a congregation. We are a people who live tied together by our belonging to the body of Christ.

The net is a symbol of these ties – persons of different ages, meeting in groups of differing interests, worshiping in different services, gathering from different backgrounds, longing for different spiritual journeys who are all linked together. The net also catches us in times of uncertainty as St. Luke's holds us up in times of growth, transition, and change.

My hope is that this theme will help our family strengthen the ways that we are woven together, cherishing each other, becoming a way station for those who come together with their own unique stories, diverse by generation, vocation, faith tradition, gifts, and backgrounds. Our community grows closer. Lives are changed for good!

### NEW MINISTRIES PLANNED FOR 2013

- Because of our program growth, we are in the joyous position to need resources to support growing Youth Ministry, particularly Confirmation. I have a dream that we would make the Confirmation experience available to every young person, regardless of their ability to pay for the resources, retreat, or mission immersion.
- The popular Spirituality and Wellness initiative expands in 2013 with the offering of group and individual spiritual direction.
- We anticipate an increase for the Staff Parish Relations Team for the new category of staff continuing education. We also have requests for additional hours to accommodate growth in pastoral care, communications, and Drama Ministry.
- The Executive Team plan to build the Capital Repairs Contingency Fund in anticipation of future major repairs to our church house.

**CONSECRATION SUNDAY** is planned for Sunday, November 4 with a service of Holy Communion and the commitment of gifts.

Let us dive deeper into the spiritual life of our netted community, singing the promises of this life we embrace.

*"I've heard it said that people come into our lives for a reason*

*Bringing something we must learn*

*And we are led to those who help us most to grow, if we let them*

*And we help them in return.*

*I know I'm who I am today because I knew you.*

*I have been changed for the better.*

*I have been changed for good."*

*(For Good, Stephen Schwartz)*

Thank you, St. Luke's. Your generosity has touched so many.  
Because of your faithfulness, you are making a difference.  
You are changing lives for good!

—Rev. Janet

## Feeding of the 5,000 - Oct. 19, 20 & 21!!

We need your help in making this thing happen! What's happening? Hopefully 80,000 lbs of food will be gathered, then donated to Denver Urban Ministries [DenUM]. When the disciples saw the crowds of the 5000 they wondered what to do, "Shall we send them away?" Jesus was filled with compassion. He responded, "No, go to them! Give them something to eat!" It's really quite simple: we're gathering food to feed the hungry. We are following the way of Jesus in a very practical way. We are coming together in love to make a difference in the world! I hope you are planning to participate.

**Here is a quick checklist of how you can help us make a difference in the lives of thousands of hungry families.**

1. **Make a personal food donation the weekend of October 19-21.**
2. **Take home bags, available at St. Luke's on the table near the front entrance, to hand out to as many friends & neighbors as you can and ask them to donate.**
3. **Sign up for shifts at our grocery store locations, and encourage friends and neighbors to do so as well. We added Safeway stores this year! Sign ups are available at St. Luke's or simply visit [www.StLukesHR.com](http://www.StLukesHR.com) and click on "Signups" under Quick Links, then click on "Feeding of the 5000."**
4. **Sign up to work the food trucks we will have at the church as we sort, box, and prepare the food for delivery.**
5. **Use Facebook, Twitter, and other social media outlets to invite friends to participate and donate.**

"I Make A Difference" T-Shirts are still available for \$10. If you have already purchased one, or are planning to purchase one, please wear it throughout the weekend when you are volunteering.

After all is said and done, come join us that Sunday evening at Revolution @ 6:30pm! We will be celebrating our work through sharing a meal together [please bring a dish to share] and sharing some stories together of our experiences from throughout the weekend. The Revolution band will be providing music for the evening. Food, music, and storytelling... hope to see you there!

It's gonna be an awesome weekend!

## Grief Support Group will Begin November 11

Grief comes to us in many forms, washing over us in unexpected ways and times. Tears are often an expression of our grief, and are a good and appropriate response to loss. Even though we trust we are moving toward healing, at times we may feel very alone in this journey. St. Luke's is offering a Grief Support Group beginning on Sunday afternoon November 11th. I would like to extend to you a special invitation to join others as we share our stories, honor and remember loved ones and move toward healing.

As we approach the holiday season, grieving the loss of a loved one can be especially difficult. Customary routines are adjusted, some never to be repeated in quite the same way. Laughter, that at one time was so easy, may become awkward or even absent. Gift-giving might somehow seem empty. Significant loss, either to death, divorce, or estrangement, brings about many changes in life including how we go about functioning during the holiday season. People who are grieving have many questions: How can I make it through all the events of the holidays while so greatly missing the person I love? Would I be better off to ignore the holidays this year? Should I act as if everything were normal? Should I make major changes in my holiday rituals?

If you are grieving a loss, this Grief Support Group is for you. If you have questions about how to go about the coming holiday season in the midst of grief, this group is for you. If you have experienced loss in the past, and would like to support others who are trying to cope with loss, this group is for you.

**When:**  
**Sundays 1:00-2:30pm**  
**November 11, 18, 25,**  
**December 2 (A Service of Remembrance)**  
**Where: St. Luke's - Room 213**

I hope you will consider attending the Grief Support Group. We can journey with one other in the coming holiday season. To sign up for the grief support group, you may call me at 303-791-0659 x 32, email me at [sallie@stlukeshr.com](mailto:sallie@stlukeshr.com) or sign up at the Get Connected Center.

us a call to connect!

# Contemplative Writing Workshop

*Using Story to Explore the Deeper Places*

### Insight to your Life Path through Writing

This course will enable you to take an autobiographically based event and write it in short story form. It emphasizes individualized instructor interaction and coaching, rather than group feedback. It concentrates on specific steps which lead to completing a work of writing satisfying to you, rather than preparing for publication.

*In this class you will take a vividly remembered life event and put it to paper in story form.*

This story will bring out that special significance in your experience with great texture and nuance. You will be taking the next step past expository journal writing and going into the realm of story for a deeper, fuller expression of your experience.

If you are now ready to give yourself the gifts of *time* for contemplation and *effort* for writing, this course will support your inner vision with specific processes and intensive instructor interaction to help you succeed.

## More from Les: Bend, But Don't Break

by Rev. Les Ludlam,

St. Luke's Lay Associate Pastor 1993-1997

*As I attended the September 18 memorial service for our dear friend, Alberta Haas, I recalled some of her words of advice offered during the last year I served as the Associate Minister at St. Luke's. May God bless our memories of her.*

"Got to get over to the choir loft as quickly and quietly as I can," I thought as I finished leading the Call to Worship for the 9:30 worship service. I started to step down from the altar area riser when I caught my foot and began to fall. Alberta Haas was sitting in the front row of seats right in my path of descent!

Phase III of the church building plan was well under way in 1997, but the new Sanctuary was far from complete. Worship services were still being held in what is now our Fellowship Hall. Attendance was continuing to grow and even though we had gone to three services, seating was crowded with seats extending from the Choir risers on the south to the new Narthex area on the north and from the West wall to about 2 feet from the worship area risers on the east "Up close and personal" was an accurate descriptor of the worship experience, especially at the 9:30am service.

"Can't fall on her!" I thought as I quickly tried to regain my balance. One step and I caught myself. One more and I would have been in her lap! No time to say anything, I quickly moved to the Choir risers and took my place.

After the service was over, I walked up to Alberta to apologize for the narrowly averted crash. "Alberta, I'm really sorry I almost fell on you during worship, I hope I didn't scare you!" Alberta smiled her famous smile, "Oh, I wasn't scared, I hardly noticed you were coming my way. And it would be OK if you fell on me, I might have bent, but I wouldn't break!"

A couple of months later, I would announce in worship that I had been appointed to Wheatland UMC in Wheatland, Wyoming, beginning the first Sunday in November. Alberta made a point to talk to me after the service.

"Les, I grew up not far from where you are going and I want to give you some advice about living in southeastern Wyoming. The wind does blow a little more there than we are used to here. To live there you have to learn to bend a little at times to make sure you don't break."

And that applies to a lot more in life than wind!

*God bless us all as we thank God for Alberta's life and wise advice.*

*Journey toward  
Wholeness*

## Spirituality and Wellness

**"In the midst of the changing season, we see new life and new visions within ourselves."**

From *An Autumn Blessing* by Joyce Rupp and Macrina Weiderkehr

The stunning beauty of our Colorado autumn has inspired the Spirituality and Wellness Team's planning and events. At St. Luke's the spirit indeed seems to be moving through quiet moments, dramatic vistas, and time shared in gracious spaces.

September was a busy month. Participation in our Monday morning Mindful Presence sessions is growing, as our community seeks quiet centering to begin their busy weeks. Time for coffee and conversation is always available. Following a weekend retreat full of gracious spaces, our inaugural Engaging Spirituality class has begun their Wednesday evening explorations of the practical challenges encountered when we follow Jesus into our broken world. On September 29 St. Luke's hikers scaled Chief Mountain to enjoy the panoramic views of a world in glorious transition, and to gaze with respect on ancient Bristlecone pines. The broad, open summit offered private places to "listen to the aspen leaves pivot," and to reflect on our own "pivotal" experiences that can open us to the presence of God in our lives.

On October 2, the Invitation to the Soul introduced us to several new paths for connecting with and nurturing the spiritual aspects of our lives. Guided reflections accompanied tactile experiences that provided quiet, reflective opportunities to step outside of our noisy, busy lives. We experienced the contemplative oasis of a Taizé service, which offered the beauty of our candlelit Chapel, hauntingly melodic prayers, and sacred time for meditation.

Exploring new ways to experience God and to "be" quietly with our deepest selves will continue to guide the planning of our Spirituality and Wellness activities through the coming year, as we all move forward in our diverse journeys toward wholeness.

## Group Spiritual Direction – A 3-Week Course

Sundays: Oct. 28, Nov. 4 & Nov. 11, 4:00-5:30pm in the Chapel

This practice sometimes referred to as Spiritual Mentoring, Spiritual Guidance or Soul Friendship, is helping people share their sacred stories and accompanying others on the spiritual journey. It is a process of addressing spiritual formation at a deeper level and being attentive to God's presence in all aspects of life. Group Spiritual Direction or Individual Spiritual Direction often supports individuals in discerning life purpose, seeking new perspectives, working through change, embracing new chapters of life and enhancing self-awareness. ### We are having a blast in Sunday School!

Preschoolers learned all about Baby Moses and are starting the story of Ruth. Elementary children learned about Jewish traditions. We even built our own sukkah! Next we'll learn about Three Women of Faith - Lydia, Dorcas & Priscilla. Tweens are exploring what the Bible is all about and in Godly Play we will learn about the Exodus, the Ark and the Temple. Wow!

**Third Graders were honored with their very own gift Bibles on Sept. 23.** The children took part in a special blessing for their Bibles before they unwrapped the golden paper and dove in to explore their new Bibles with Rev. Ryan.

**Don't forget to register your child for the new year of Sunday School!** We ask that families *fill out a new registration form* each year for their children and now's the time. You can do it online at [www.stlukeshr.com/children](http://www.stlukeshr.com/children) or grab a peach-colored form on Sunday mornings at the Superintendent's Station and fill out. Thanks so much!

**GIVE 5 to Children's Ministry!** What better way to spend a Sunday morning than serving with our children! It's one of the most fulfilling ways to give of yourself, your gifts and your time. Contact us for more information.

**Thank you for attending Servant Training!** All servants are required to join us for this fun and informative training session each year to equip our servants and keep our kids safe. If you couldn't join us, please let us know and we will make sure you get the proper information to be able to serve with us.

**SLY, Jr. (5th & 6th graders)** had a great time with SLY making donation jars and taking up collections for the Walk for Sudan. Those donations will go towards purchasing some very needed items like soap, salt, water and food to help the people in the Nuba mountains survive. We also had a fun time at the Corn Maze on Oct. 7 getting lost together in 10 foot tall corn stalks! Our next gathering will be Oct. 21 at 2:30pm for our annual afternoon of service for the Feeding of the 5,000. Bring \$3 and a can of food to donate and join us for a fun day of service and fellowship. Don't miss it! We have lots of other great events planned. ## St. Luke's Family Camp 2013: Save the Date!

St. Luke's 14th annual Family Camp will be held from July 19-28, 2013. It will be another great week at Snow Mountain Ranch in Granby, Colorado - full of fun, food, and fellowship. Come for a night or two, or stay the whole week. All are welcome!

ST. LUKE'S FAMILY CAMP

## Thanks, Dawn!

As you all hopefully learned through a church-wide email, Dawn Johnson has decided to step-down from her position as Assistant Director of Children's Ministry, effective October 9, 2012. Dawn has contributed much to our children's programming over the past fourteen months. She assumed responsibility for the Sunday School preschool program where she brought fresh perspectives and led the effort to identify a new curriculum. Her contributions to Advent devotionals, Easter Fun Day, Vacation Bible School and Parent's Night Out have enriched the lives of our children and their families. Dawn's strong organizational skills were a plus to procedures and materials and our craft closet! Her warmth and infectious energy will be missed on staff. But Dawn will continue to be an active member in the St. Luke's family. Dawn, her husband Keith and their children Gabe and Vanessa consider St. Luke's their home, and we will continue to be blessed by their involvement. Thank you, Dawn!

### Little School News: Fall Friends!

Little School is off to another fabulous year with wonderful children and families. It is so fun to see their smiling faces every morning and watch as they settle into their classes.

The teachers are already bonding with their little ones as they begin to teach them. We love all the hugs and laughter and the warmth that permeates our rooms!

The end of September we had so much fun with the

Firemen and their BIG trucks that came to visit! We watched as they put on their equipment and taught us not to be afraid if they need to come and rescue us. We also practiced our fire drills and being safe. We gave the firemen donuts to thank them for coming and fire hats were provided by Firehouse Subs!

Our theme this year for Little School is: "Paint your own Rainbow" and Rev. Ryan came to chapel and told us the story of Noah and the promise of the rainbow. We are learning this year what it means to be unique in our own special way. We are excited that Rev. Ryan will be joining us for chapel each month and we can't wait to hear what his next story will be!

October is a busy month learning about our fall season, watching the leaves change, and cooking with apples! We will look forward to our Harvest Parties and will be helping the St. Luke's Youth by collecting Halloween Costumes. Everyone will get a chance to pick out a pumpkin at the pumpkin patch and we will listen to stories of our animal friends getting ready for winter.

This year we have a new on-going ministry to help REVOLUTION (St. Luke's Sunday evening worship service) make lunches for the homeless. We are asking our parents to donate peanut butter and jelly, granola bars, packaged small chips and sandwich bags. This will be a wonderful way for the kids to learn about taking care of others and helping the less fortunate.

**LITTLE SCHOOL WILL AGAIN THIS YEAR BE COLLECTING LEFT OVER HALLOWEEN CANDY FOR THE COLORADO AIDS PROJECT. PLEASE SAVE YOUR CANDY AND BRING IT TO THE CHURCH. DEPOSIT BOXES WILL BE AVAILABLE.**

We wish you pleasant fall days and time for making memories with your children!

*Blessings, Ms. Kay and Staff*

*"Kids go where there is excitement.  
They stay where there is love."*

## Welcoming our newest members

of St. Luke's and their reasons for joining our community.

**Molly Driver** (no pic) *"I love the music and the people I have met and the worship services."*

**Meghan Dietz**

*"I want my kids to grow up in a Christian environment & we love Janet!"*

**Mike & Katie Rhue**

*"Janet is awesome!! We felt very welcome from the very first day we attended St. Luke's."*

## Equipping God's Ministries

The Equipping Ministry Team (formerly the Lay Leadership Team) is again gearing up to work with our St. Luke's teams to insure they are equipped to continue their service in 2013. Bruce Pawley is leading the team this year and is joined by the following team members: Jean Ann Duncan, John Church, Jon Streaty, Joan Goddard, Melanie Kirkpatrick, and Paul Peterman

You may have already spoken with a member of this team as we have begun our team interviews. Please feel free to contact them with any questions or concerns regarding any of our teams. The Equipping Ministry Team (EMT) will be working hard in the next couple of months to identify leadership/membership needs and begin inviting those to serve. You may receive a call from us to see if God is calling you to serve in one of these capacities. There are many opportunities for you to serve in ways that match your spiritual gifts (take the Spirit Gifts Assessment at [www.stlukeshr.com](http://www.stlukeshr.com), on the Quick Links list).

Our nine member teams with three-year terms include: SPRT (Staff/Parish Relations Team), Finance Team, Ministry Equipping Team, Planned Giving Team, Stewardship Team, Missions Team, Learning with St. Luke's Team, Long Range Planning Team, and Trustees Team. Our newest team is our Seasoned Voyagers Team (50+ Ministry) with an 8 person, 2yr term. We also have many other teams (see the Ministry Catalog on the website under Publications or at the Get Connected Center) that have two-year leadership terms as well as teams that just need new members to bring their gifts and passions to the ministry. ### Spotlight on: Itch to Stitch ...

The Itch to Stitch group has several missions and one is making Prayer Shawls. The shawls may be made of cloth or yarn with each stitch considered as a prayer to help the receiver to cope, to heal or to recover from their situation.

All are welcome to join Itch to Stitch. We have two young men who made mistakes in their lives and are paying back society with prison time. They are working hard toward their release. Meanwhile, they both have self taught themselves to work with yarn and do beautiful work. Most importantly, they have found Christianity and a new way to serve when they were introduced to the idea of making prayer shawls. Finding out that each of their stitches represents a prayer of healing has given them a purpose to continue their good works. The Itch to Stitch asks the congregation to join us in prayerful support of these young men.

### Simply Saturday Tour by Nan Woods

Our simply Saturday group went to Denver to have a tour of Trinity United Methodist Church, Denver's Church organized in 1959. Our guide met us outside the church and escorted us in along with a young couple from Switzerland who asked to join us. It started out as First Methodist Episcopal Church and then went through a series of names. In 1887 they voted to call it Trinity Methodist Church. On December 23, 1888 over one thousand people filled the Sanctuary.

The building is one of the first examples of Modern Gothic in the United States. Blocks of quarried castle rock Rhyolite were used for the exterior. The steeple stands 883 feet from the ground. The organ was designed by Roosevelt Organ Works of New York. In total there are 4, 275 pipes. It was one of the largest Roosevelt Organs built in the 19th century and is still in use. There are 66 lights above representing the books of the bible. The stained glass art work was designed by Healy and Miller in Chicago. The two rows of windows are identifiable by the 12 spokes symbolizing the 12 apostles and 12 tribes of Israel. The white marble angel baptismal font was built in 1888. The sanctuary was built on the second floor symbolic of the belief that we should walk upward to worship God. The seats used today are original with the building. Our tour was something we will all remember forever.

**Fall Kick-Off Meeting** At the UMW Fall Kick-off the new slate of officers for 2013 was approved. (Officers to be listed in next issue). The Mission focus was the We Don't Waste ministry and we donated over \$400 to help with a new refrigerated van. Thank you to Andrea Kirchhoff for sharing all the insights about this wonderful mission opportunity.

## ON THE SLY: Busy, Busy, Busy!!

We've had a lot going on, and it's not slowing down!! We started September out with our Annual SLY Kick-Off, and it was a huge success! Nearly 200 adults and youth showed up to learn more about SLY and enjoy some good BBQ. We were extremely happy to see so many new, and old faces! Later in the month, Dave's good friend Eddy Kovacevich came out for a night of Hip-Hop. Eddy is a professional choreographer and has worked with many of the top people in the music business. If it was possible, I think the youth were even more impressed than I was! After sharing his own faith journey, he led the youth, and Rev. Janet and me, in a lesson in Hip-Hop. Some of the youth came out with some pretty awesome new moves, while the rest of us learned how to 'act' like we know what we are doing!

Youth Ministry

Youth Ministry

Of course the biggest news for October is the Pumpkin Patch! Early afternoon on September 30th, a semi truck pulled into the St. Luke's parking lot full of pumpkins. We had a great turnout to unload the truck. Teamwork doesn't seem work, right? The pumpkin patch is the biggest fundraiser for youth missions at St. Luke's. There will be three youth mission trips next year and the success of the pumpkin patch is so important in making these trips happen. Thank you to all that give your time or buy a pumpkin. Your help is very much appreciated.

The pumpkin patch is not the only thing we have going on this month. We have many events occurring such as the Fall Festival at the church on the 6th and putting on our Annual Haunted House/Halloween Party for Warren Village on the 27th. Here are some of the things we've got goin' on this month:

### Sundays:

- SLY AM (9:30-10:30am) – We're calling this month Outreach October! What a wonderful time of the year to look beyond ourselves and see how we can help the world around us. We will take a look at some of the organizations that St. Luke's works with and ones that our youth are passionate about.
- Community Dinner (5:30-6:00pm) - \$2 per person. If you feel inclined to help feed our youth, you can sign up on the St. Luke's website.
- SLY PM (6:00-7:30pm) – Continuing with our theme of outreach, many of our Sunday night events are related to making the world a better place. On the 14th, people from DenUM are visiting us to play their version of 'The Game of Life' with us. The 21st will be a day full of canned food as the youth help out with the Feeding of the 5000, ending the day with a colorful Revolution service. And of course we could not end October without a good Halloween movie!! All sorts of fellowship and fun activities are happening Sunday nights in the youth room! Check out our website for details.

### Wednesdays:

- Homework/Tutoring Hour (5:30-6:30pm) – A chance to get your homework done and even get help if you need it!
- Wed. SLY (6:30-8:00pm) – Youth directed fellowship activities! This month we are making homemade pizza, watching movies, playing games, and having a Halloween Party!

As you can see, we have a lot going on! We look forward to a busy October focusing on building relationships and reaching out to those in need!

*Yours in Christ, Amy (& Dave!)*

**Free King Soopers Grocery Cards Available at Grocery Card Table. Yep—FREE.** If you are a King's shopper and do not currently participate in our grocery card program, it's easy to get started. Just stop by the grocery card table on Sunday mornings and pick-up your free Kings Soopers \$5.00 reloadable

You can load the card at Kings with any dollar amount you need and as often as you like by going to the Kings service desk or at the cashier using cash, check or your regular credit card. What a great way to build up points on your credit card. The grocery card rebates from Kings, Safeway and Tony's contribute approximately \$12,000 to our general budget each year. This is a considerable amount that can grow significantly if more of our members and constituents will use the Kings reloadable cards that you obtain at our grocery card table. Give it a try.

## Trustees: *Ministry in Motion* needs Bus Drivers!

One sure sign it's September is the reappearance of LOTS of yellow school busses. You may not realize it but our own St. Luke's *Ministry In Motion* bus has been busy all summer long, and in taking a look at our fall schedule, we expect that trend to grow! If you have a CD-L license and some availability to help us out with a few trips, we want to talk to you. If you have any interest in getting your CD-L, and volunteering to drive our bus, or if you have friends or family who are already licensed bus drivers who would be interested in helping us out, please let us know, there's a place for you here!

We are blessed to have an extensive and growing list of mission, social, and outreach program opportunities every day of the week, and several involve travel to another location. Many of our weekday trips begin after most school bus drivers are done for the morning, and return in time for them to drive after school routes. In addition to the various youth and college trips you've heard about this summer, we transport Wind Crest residents to the 9:30 Sunday Worship Service, and we'd like to add service to Holly Creek, too. One of our volunteers trains and tests drivers for Douglas County Schools, and she's offered to coach any new drivers. We'll reimburse your licensing fees once you're complete and on our volunteer roster. Please call Sandi Miyaki, 303-913-9993, or email: sandi.miyaki@realtor.com to learn more. Thank you!

## Greetings from Seasoned Voyagers

Manijeh Badiozamani was the Seasoned Voyagers Sept 11th Kick-Off speaker. It was a dynamic presentation and we learned about the day to day life in Tehran, Iran. She shared how people in the world just want to

take care of their families, no matter where we live or what language we speak, it is a common bond we all share. Manijeh went a long way in bridging the gap between our two countries.

Manijeh gave us an understanding of the daily life in Tehran, that we can't glean from the TV newscasters, who are covering the political scene and not the every day lives of the Iranian people.

She also shared the joys and concerns she had ensuring that her 86 year old mother had the in-home day care she needed. Trying to take care of her mother long distance is not an easy task as many of the audience could understand.

Her presentation left us all with some things to think about and mull over and just maybe, changed our minds how we view people from different cultures and places around the world.

To start our Seasoned Voyagers get together we had a delicious pot luck lunch and there was hardly anything left! I think people were hungry. The 26 people in attendance had a good time.

Once again look forward to conversations with Janet on first Tuesdays of each month and evening Bridge on second Saturdays.

Coming up on October 10th will be latest cultural luncheon this time celebrating German culture with delicious meal and virtual tour of the country.

## Mountain Retreat Tents and RV's and Cabins – Oh My!

The retreat weekend at Monarch Spur Campground in early September was enjoyed by twelve folks ranging in age from 5 to over 70. There was plenty to do and time for relaxation. We enjoyed shopping, hiking, bird watching, fishing, reading, napping and eating great food. The retreat allowed everyone an opportunity to do their own thing and also for all to come together for fellowship around a blazing campfire (with s'mores after the coals became perfect) and Sunday

Brunch with communion. If you are interested in joining the fun next year keep your eyes open for announcements or let Val Clark or Betty Ludlam know of your interest.
