Is Guatemala Calling You in 2014?

We are currently making plans for our Spring 2014 St. Luke's Mission trip to Guatemala. Dates for next year's trip will be March 21-30, 2014. The focus of the trip will be construction, most likely school classrooms and/or cinder block homes. No prior building experience is needed for this trip. In addition, the trip itinerary will include visits with sponsor students and a visit to the John Wesley School.

We are also looking into the feasibility of sponsoring a St. Luke's Dental Mission trip in May 2014. At this point, we are looking for dentist and dental hygienists who would be interested in volunteering their time and talents to help rural families in Guatemala. If you are interested, or know someone who might be interested, please contact us so that we can determine if we have enough dental personnel to staff such a trip.

If you are interested in going on either the March construction trip or May dental trip, or would like more information on these trips, please send an email to Laura Richards, laura@puravida.org. I will keep an email database and keep you updated as further plans develop for both trips.

With much appreciation and thanksgiving for the life of one of our saints, and for the expression of musical praise for generations to come! Thank you to the Don Haas family for the donation of a new and beautiful grand piano in the chapel in memory of Alberta Haas.

Holy Land Pilgrimage 2014

March 20-30

to Israel, Palestine, and Jordan with the choice of an extension to Petra in Jordan

Leader: Dr. Janet Forbes

Faculty: Dr. Tom Phillips

This pilgrimage will acquaint travelers with the geographical and cultural settings of the New Testament and relate historical studies to contemporary dynamics in Israel, Palestine and Jordan. The pilgrimage will include forums on historical and contemporary themes and visits with local people. The learning process will be contextual and experiential, introducing us to the moral dimensions of biblical studies and exploring how biblical faith relates to the context of the Holy Land.

INFORMATION GATHERINGS

Sunday, June 30 at 4:00pm and Monday, July 13 at 6:30pm

Hosted by The Society for Biblical Studies (www.sbsedu.org) whose mission is: to reform biblical scholarship, to redeem pilgrimage from commercial sightseeing, and to renew the mission of the Church.

10th Annual Golf Event! New venue! New time!

St. Luke's will be hosting the 10th Annual Golf Tournament on Saturday Aug. 24, 8:00am at Murphy Creek Golf Course in Aurora. The morning tee-time and reduced rates will make this an attractive venue for our event and the course is a lot of fun. Excerpted from their website:

"...1920s farmhouse theme and a hauntingly wonderful and different layout have established Murphy Creek as a destination course. With more than 80 bunkers, stunning water features and wide, rolling fairways, Murphy Creek is truly a golf experience. The greens are large and fair and the prairie-links course challenges and entertains all levels of golfers. It was the site of The 2008 U.S. Amateur Public Links Championship. Also ranked in Golf Digest's America's Top 10 Best New Courses for 2001..."

Shaped by the Bible

Summer at St. Luke's 2013

*I call it an Aha! moment.**It is the moment when I can hear,
when I know,**that an answer is being offered to me.**All other sounds measurably fade, including the banter in my brain.**It is when the answer travels from my heart to my head and says,
"This is so."**No questions follow, no objections interrupt;
just the recognition that I must listen and follow."*—Sharon E. Rainey, *Making a Pearl from the Grit of Life***Our Summer Worship Series, SHAPED BY THE BIBLE,** will grow out
of the stories of our community. In this diverse congregation, how are the scriptures
transforming us?Disciple Bible Study says that the authority of the scripture lies in its ability to cause
encounter between God and the one who reads it. When we read the Bible and God
speaks to us, we hear the Bible with fresh insight.This summer, we'll be making pearls from the grit of our stories! The birth of a pearl
seems miraculous to me. Pearls are grown by live mollusks. An irritant of some sort
lodges itself in an oyster or clam's soft inner body. The creature begins to secrete a
smooth, hard, crystalline substance, encasing the irritant, layer upon layer, until the
pearl takes shape.As we celebrate the pearls – the spiritual journeys – that we are creating, I am asking
you, "Which story in the Bible best reflects your life at the moment?" Which biblical
event is a metaphor for your life today? Are you taking a great risk like Moses and the
Hebrew people when they challenge Pharaoh, escaping the bonds of slavery in Egypt?
Are you speaking prophetic words, like Amos, inviting a child to turn from destructive
ways? Or, are you, like Jesus, walking on water, resisting temptation or power?Our Summer Worship Series will be built upon the interlacing of scriptures that are
shaping St. Luke's. Send your Bible story or passage to Rev. Janet at janet@stlukeshr.com

What Does Grace Mean to You?

During the morning worship services a few Sundays ago, I posed this question: "What does grace mean to you?" Wow! What a loaded question. I invited you all to respond...to shoot me a text or to jump on my Facebook page and join the discussion. You all certainly responded...and that is AWESOME! On that morning I received 47 text messages. It brought to light a few things for me.

First, I learned just how many of you bring your cell phones into worship on Sunday mornings. No judgment...just an observation :) AND I learned that my cell phone could be blowing up in my pocket and I could still make it through the sermon. But this leads to a few slightly more important questions, thoughts, and observations.

Does grace ever get old? Do we ever outgrow the concept of God's unconditional love in our lives or find that we no longer need it? I don't think so, and I don't think you all think so either...according to my phone and Facebook page. There is just something about grace. We want to talk about it. We want to think about it. We want to define it. But more importantly we want to experience it. Let's be honest, there is just something really cool and profound about the idea of God's unconditional love and forgiveness--and so many of you picked up on this idea. I have the texts to prove it! That God is always there no matter what we've done or where we've been. I like to think God never gets tired of saying to us: "Welcome home child."

We screw up. We don't live up to our potential. We make mistakes...big ones. We hurt others. And God always says, "Let's create something better...together." Grace. It never gets old. God never gives up on us or the world. Ever.

One other thing this whole experience got me to thinking about...the power of interactive and participatory worship. It's something I would love to keep playing with. How do we encourage the congregation to have a voice...even in our preaching? How do encourage participation throughout the worship service? I'd love to hear some of your ideas. But for now I'll simply say thank you! Thank you for interacting. Thank you for participating.

I hope you continue to experience God's grace in some really cool ways this summer!

Grace & Peace, Rev. Ryan

St. Luke's Adds Another Spiritual Director to our Team!!

*"Asking life-giving questions and
companioning people as they look closely at
the transforming work of God in their lives."*

The Spirit is clearly leading St. Luke's in the Ministry of Spiritual Direction! We now have six individuals who have been called to this ministry and who have completed professional preparation/certification to offer their expertise in this practice.

Our warmest congratulations to Marshall Kuhn who recently completed his training with the Benet Hill Spiritual Formation Program. Marshall joins Janet Johnston, Lynda Fickling Leigh Ramsey, Jenita Rhodes, and Sallie Suby-Long.

Spiritual Direction is both a contemporary and ancient practice that focuses on supporting people in their spiritual, emotional, and psychological growth. Many people find that spiritual direction enhances their sense of meaning and fulfillment.

Like with most things in life, the best way to fully understand Spiritual Direction is to experience it. Spiritual Direction is as unique as each person because it is tailored for the needs, hopes, and experiences of the person. Spiritual Directors are trained to help people share their sacred stories, to discover more about what gives them joy, to support them in connecting to their spiritual center, and to what inspires them toward deeper meaning in life. In more common terms, Spiritual Direction might be compared to life coaching with specific attentiveness to a wholistic approach.

Every St. Luke's Spiritual Director is trained to listen, to support, to raise thoughtful questions and to create a welcoming and gracious space in which an individual can address the topics that are most relevant to her/his life. In an atmosphere of trust, individuals are supported in discovering their spiritual strengths, finding solutions to challenges, and experiencing greater meaning and connection.

If you are interested in working with a Spiritual Director, please contact Pastor Sallie or any of the following Spiritual Directors for more information!

• Sallie Suby-Long	sallie@stlukeshr.com	303-475-0141
• Lynda Fickling	lynda@stlukeshr.com	303-902-6074
• Janet Johnston	janet.johnston@comcast.net	720-902-6074
• Marshall Kuhn	marshall.kuhn@hotmail.com	303-931-5473
• Jenita Rhodes	jenita@pcisys.net	303-809-6440

Congratulations, Marshall! Marshall Kuhn Completed Spiritual Direction Certification in May, 2013. May God continue to bless you as you offer your gifts.

Journey toward Wholeness

Spirituality and Wellness

“Walking the labyrinth is a way of praying with the body that invites the divine presence into an active conversation with the heart and soul.”

(from *Praying a Labyrinth* by Beth Richardson.)

On May 4 the Spirituality and Wellness Team lead a labyrinth walk through St. Luke's own labyrinth in conjunction with World Labyrinth Day. The theme “Walk as One at 1” provided opportunities to learn more about the role of labyrinths in spiritual practice. Walkers were provided guides to help them to remember God's blessings as preparation to entering the labyrinth, to “let go” and become centered as they enter the labyrinth, to receive whatever the creative spirit offers as they walked the labyrinth, and to be open to gracious resolution through their retraced steps. Participants joined with labyrinth walkers around the world in creating and sharing sacred space along the journey through St. Luke's labyrinth. For more information about the role of labyrinths, contact Jenita Rhodes (jenita@pcisys.net).

May is the time for early Colorado wildflowers in the foothills, and the Spirituality and Wellness Team led a hike over the South Mesa/Big Bluestem/Towhee Loop Trail searching for the regular May bloomers.

May is also a time, it often seems, for endings, and the Spirituality and Wellness Team is using this time for reflection, assessment, and planning new beginnings for the coming year. The team has scheduled a retreat in early June to the Hideaway Center near Colorado Springs. If you have an interest in joining the spirituality and Wellness Team as we plan for the future, please talk with Reverend Sallie (sallie@stlukeshr.com) or Renae Parae (renaeparae@aol.com).

Mindful Presence has met every Monday morning at 9:15am in the Chapel to offer a contemplative sacred space to begin the new week. Mindful Presence will continue through the summer months. For more information, contact Samantha Leahy at sam@stlukeshr.com.

The Outdoor Adventures Team has planned several activities through the summer to continue facilitate our encounters with God through listening, looking, and contemplating God's wonderful creation. We invite all at St. Luke's to join us this summer as we seek new sacred spaces.

- July 12 - deepen our awareness of the sacred while participating in an authentic Japanese tea ceremony at the Botanic Gardens (10:00-12:00 am). As follow-up to the tea ceremony, we will host an evening event on Thursday, July 18 to share reflections and enhance our learning. Pre-registration through Denver Botanic Gardens is required. Cost is \$30 per person. For more information, contact janetjohnston@comcast.net.
- August 1 explore Chatfield Reservoir in a canoe, guided by a naturalist from South Suburban Parks and Recreation (6:00-8:00pm). Canoes, paddles, and life jackets will be provided for your \$22 pre-registration fee. Space is limited to 12 participants. For more information, contact janetjohnston@comcast.net
- Saturday in August (TBD), we will hike to Gem Lake near Estes Park. An optional Friday overnight at the Olivers' cabin is planned; watch for details in the St. Luke's Bulletin and Week © a Glance.

Thank You for Your 30th Birthday Gifts!

Through your generosity, we've completed several important projects we've had on our 'back burner' for some time! We are so very grateful!

Our new front doors will be here soon! So very pleased to have the new automatic opener buttons! Such a nice 1st impression for everyone!

Children's Ministry has definitely enhanced their program planning with the addition of the new media and cooking workshop equipment! And the Nursery is enjoying a new back door and a new TV! Our Youth are 'settling in' at their new squishy beanbag lounge! These enhancements are sure to be a big hit with this fall's new classes.

We've got lots of other projects in queue – the most important of which will improve our drainage and icing issues at the lower northwest entrance. Please pardon our dust and foot traffic re-routes as we do the necessary dirty work before our fall kick-off.

Our heartfelt thanks to everyone who made these projects happen! If you missed out on the opportunity to participate and would like to offer a donation, we still have opportunities for you! Please contact Dave Cupp to take a look at our list or talk to Sandi Miyaki or Ken Fong about a gift of service on one of our many on-site projects. We welcome and encourage your participation! —Sandi Miyaki

HAAT Force Update

We provided 1359 nights of shelter this year. This means that each year we have been open we have doubled the number of nights of shelter that we provide. Our first season was 300. The next was 600 And this year, 1359.

This growth is unsustainable and thus we are looking into other business models to provide this service but at a reduced cost. I have recently been approached by an organization called “The Tri County Severe Weather Shelter Committee”. This is an organization that is looking into churches to open their doors on severe weather nights in the winter. They serve that same area as HAAT does, Jefferson, Arapahoe and Douglas counties. They have aligned themselves with Love INC as a gap ministry. They have asked HAAT Force to participate with them in this ministry. We are currently looking into this. We would retain our own identity but partner with them serving as a distribution site for them and we would use their services to provide shelter. This is very much a pilot program. They did have one church open their doors this past year and it seems to have gone well.

I am aware of several other programs similar to this that operate in other areas in the state. We are interested in this “New” business model and I will keep everyone up to date as to how this progresses.

Thank you, Peter Reif, President HAAT Force

Woof! Woof! Jake and Max, here! Let the fun fair begin! We are so excited for the EVERYWHERE FUN FAIR! Soon the church will look like a big fair and over 350 children will come to experience Vacation Bible School with us! woo hoo!

Thanks to all of the VBS Volunteers to everyone who has served this past year or has signed up to serve in Children's Ministry - you are all blessings in the lives of our children.

Summer is a great time to serve in Sunday School and at VBS - the kids need YOU! And you will find it's one of the most rewarding ways to serve God and share your gifts. Help create lasting memories and grow in your spiritual journey with us! Sign up online or email Sharon or Sam.

Warren Village will once again receive produce from the St. Luke's Garden this summer and fall. Warren Village exists so that low income single parent families achieve sustainable personal and economic self-sufficiency. Specifically, Warren Village nurtures the potential in individuals and families through three on-site integrated programs:

1. **HOUSING** — Providing safe, affordable subsidized housing; offering 93 one-, two- and three-bedroom apartments accommodating families of up to six children and one adult.
2. **THE GRETA HORWITZ LEARNING CENTER** — On-site, nationally accredited, quality child care and early childhood education for as many as 113 children, ages six weeks through ten years, through a multi-cultural and gender-fair curriculum developed for at-risk urban kids.

3. **FAMILY SERVICES** — giving parents and their children the opportunity to change and improve their lives through a full range of services, including comprehensive case management, vocational assessment, evening life skills classes, child-enrichment activities, mentoring and resident-initiated leadership opportunities.

UMCOR (United Methodist Committee on Relief) St. Luke's Mission Trip

UMCOR responds to natural or civil disasters of such magnitude that they overwhelm a community's ability to recover on

its own. Through UMCOR, United Methodists extend loving care to people within the United States, as well as those in Africa, Asia, Central and South America, and the Caribbean. In July, St. Luke's will send 14 mission team participants to the UMCOR West depot in Salt Lake City. The trip will take place on July 21st through 27th. The UMCOR West depot serves as a material resources warehouse to store UMCOR supply kits. UMCOR West helps reduce shipping costs and enhances efficiency when responding to emergencies in the western part of the US. The St. Luke's team will assemble emergency kits that will be used in future UMCOR disaster response work. In preparation for their trip, the team will launch a drive on June 23rd to collect supplies to take to Salt Lake City. These will include Health Kits, supplies for Cleaning Buckets and monetary donations. An insert detailing these items will be in the 6/23 bulletin. In addition, the Vacation Bible School program will put together "School Kits" for the team to take to the UMCOR West depot.

More from Les: Fred's Mythological Dream by Rev. Les Ludlam

(From Wikipedia) *A myth is a sacred narrative usually explaining how the world or humankind came to be in its present form... Myths may arise as either truthful depictions or over elaborated accounts of historical events, as allegory for or personification of natural phenomena, or as an explanation of ritual. They are transmitted to convey religious or idealized experience, and to teach.*

Fred and Bill had been lifelong friends, they had gone to high school together, had attended the same university and each had been the Best Man at the other's wedding. But the friendship had recently taken on a new meaning when Bill was diagnosed with a severe, chronic, fatal disease. Fred tried to spend as much time with his friend as he could, but it was a long trip to Bill's home and it was painful to see someone close to you dying inch by inch.

Bill died a few weeks ago and Fred had agreed to do the eulogy at the memorial service. Now, Fred found himself angry, angry with God! "Bill was such a good man," thought Fred, "he was a kind and thoughtful person; he has done so much for so many! His death seems such a terrible waste! I feel guilty that I am alive and he has died!"

Fred fell into a state of depression. He let small irritations consume him, and his work began to suffer. And, in addition, he began having this strange dream.

He dreamt he was standing at the edge of a large arena; there seemed to be thousands of people standing on the playing field. All were talking and all were looking at him! He strained to make out the words being spoken, but the sound seemed to be a mixture of different languages being spoken simultaneously. The cacophony was almost too much to take!

Finally, in frustration, Fred cried out, "Where am I?" "Who are you?"

Suddenly, the crowd grew silent! Then, all together, they turned and smiled at Fred. "You are kind-hearted and good," came the words, seemingly from nowhere!

Fred called out again, "Where am I?" "Who are you?"

"You are kind-hearted and good; we are your brothers and sisters in creation! We are all connected!"

"But, where am I?" he repeated.

"You are in the midst of all that is creation. You are grieving the loss of your friend. You are kind hearted and good. We grieve with you."

Fred felt strangely comforted and very confused. He thought to himself, "This is going somewhere; I'm not sure where, but it seems OK." Then he replied, "Yes, I grieve over my friend's death! The loss of his life seems so meaningless to me; the opportunity for him to do all the good things he could have done has been taken away! His death seems to be a terrible waste! Why couldn't it have been me to die, instead of him?"

"Why, indeed," came the reply, "I too grieve over the untimely loss of your brother, and you are right, it could have been you, had you contracted the same disease. But you did not." There was a pause. "Fred, You are kind-hearted and good and I love you; I seek none but the best for you and I have created you with the freedom to choose so that you can grow, struggle, co-create, and make things a little better in the place where you exist."

"But why did Bill have to die?" asked Fred, "He didn't do anything to cause his disease!"

"All that I have created is good, but there can be harmful outcomes when people encounter the powerful natural forces that shape the world."

Fred thought carefully about what he was hearing and now responded, "You must be God! Are you real? Am I just imagining all this?"

There was a deep, rumbling laugh! "I AM WHO I AM" came the reply. "I am the fabric that is the Universe! I am the smallest of particles and the vastness of galaxies. All that has been created has come from me. Examine your knowledge of history, Fred. You'll find that I use ordinary people. And I am within you. I love you. And I choose you to carry my message."

"But, why me?" Fred asked softly, "I am no great theologian, I have no power or influence on the minds of others!"

"Examine your knowledge of history, Fred, you'll find that I use ordinary people as my communicators, those who look beyond the edge of popular thought.

You have come to understand more about the physical world in which you live, and as your experience and knowledge grows, there is a need to communicate a new myth, a story that carries truths about Me and my will, presented in ways that people today can meaningfully use as they live their day-to-day lives."

Thank You For Your Continued Financial Support

Happy 30th Anniversary St. Luke's – BELATED PARTICIPATION IS ENCOURAGED! It is not too late for you to participate in our 30th Anniversary Celebration. We have received over \$30,000 in gifts and issued 70 new grocery cards through the first week of June.

Keep in mind that participating in the grocery card program is a way for your 30th anniversary participation to continue giving at **no cost to you**. When you enroll in the program by getting your free starter card for either Kings or Safeway here at St. Luke's, we will get at least a 5% rebate to go into our general fund every time you reload the card at the grocery store. The report we received for the period ending in mid-May indicated 77 families had reloaded their cards with an average reload amount per card of \$245. Ten families reloaded their card two times during the month, two families reloaded three times, two families reloaded four times and one family reloaded five times. These numbers will continue to increase as more free starter cards are issued.

Participation is so easy. All you do is get your free starter card reloaded as needed at the service counter using your credit card, check or cash. If you forget to stop at the service counter they can reload at the cashier if you let them know before they ring-up your purchase. You can use the card to purchase store items and gas. Unfortunately, you can't use it to purchase gift cards.

Pick and Choose Your Method Of Giving to SLUMC.

We have many ways for you to make your giving to SLUMC easy and convenient. You may want to consider one of these convenient methods for your contributions. In addition to cash and checks, we offer online credit card transactions, stock transfers and scheduled automatic withdrawals from checking or credit card accounts. The following is a general summary:

- 1. General Fund and Capital Campaign:** All methods.
- 2. Grocery Cards:** Cash, check, scheduled eft from checking accounts.
- 3. Special Events:** Depending on the event, may include cash, check, PayPal and online credit card transactions.
- 4. Plus:** We'd consider any reasonable method you know about that we haven't adopted.

What a Show! *St. Luke's Brass Ensemble and the Colorado Women's Chorale*

Our very dedicated Brass Ensemble joined with the Colorado Women's Chorale for a fun night of choral and brass music. The highlight of the evening was a new piece by composer Gwyneth Walker titled "Sweet Molly and Friends" for women's choir and tuba. The dazzling tuba accompaniment was played by St. Luke's Ethan Goddard. Carl Fitch, David Rhodes, Kevin Larsen, and Brian Ernster also accompanied the choir throughout the night. Jennifer Ferguson, director of both groups, said that "this was one of the best programs the CWC has ever done, and I was thrilled to integrate music from St. Luke's with the Colorado Women's Chorale!" Thanks everyone for dedication and musicality!

Summer Choir Camp

Have you always wanted to be a part of the Chancel Choir? Is it time to rejoin after taking a break? Summer Choir camp will be held on Saturday, July 20 from 9:00-11:00am. Everyone interested welcome! For more information, contact James Ramsey at jim@stlukeshr.com.

Keep Singing! And Playing!

The Music and Arts Ministry program would like to wish a happy summer and bright future to all of our graduating seniors in the Class of 2013. We hope you never give up the joy of music in your lives, and come visit the music and arts programs frequently!

Memorial Gifts Say You Care

Sometimes a gift of flowers is not appropriate or not enough recognition. When the obituary suggest "in lieu of flowers" you can make a gift through the St. Luke's Memorials and Honors Giving Program. Your gift in memory of someone special at the time of their death, or at the anniversary of their death, is a wonderful way to remember their special contribution to life.

The Planned Giving Team has made memorial giving at St. Luke's easy. There are memorials and honors giving brochures and special envelopes located in the literature rack just inside the front door. These items provide an easy way for you to select several giving opportunities plus the possibilities you may have that are not listed. Also, they provide an easy way for proper recognition of your gift. All you have to do is turn in your donation to the church office using the special items.

The Purpose of St. Luke's Planned Giving Team Provides information, opportunities and administration for members and constituents to make provision for giving through St. Luke's by means of wills, annuities, trusts, life insurance, memorials, and various types of property. This includes the St. Luke's Endowment Funds and Memorials and honors giving program.

It is with joy and sadness that we say goodbye to our graduating youth. These youth have helped to shape SLY and have impacted us adults on our faith journeys as much as we have them. They will be truly missed!

Also, we are so excited to welcome our upcoming 7th graders to SLY! We can't wait to get to know you and watch you grow!

ON THE SLY: Summer Happenings!!

The best time of the year is here... Summer!! School is out and we are now free to have loads of fun!! Moving into our summer programming means the beginning of our Wednesday groups STMs and GEMs. This is what the youth wait for all year!

STMs (Shortcuts To Manhood) is a group made especially for the boys to get together, hang out, and play ultimate frisbee. And of course, boys love to eat, so after getting all worn out and sweaty, they head to a fast food restaurant for dinner and fellowship! All boys going into 7th grade through just graduated seniors are welcome! Meet at the church at 6:00pm and bring money for dinner!

GEMs (Girls Enrichment Ministry) is a group made just for the girls! GEMs meets at 6:00pm on Wednesdays to do all sorts of fun things! This summer's events include a mall scavenger hunt, cookie decorating, a greeting card making class at Archivers, tie dye, Zumba, and more!

Summer also means its Mission Trip time!!! At the beginning of June we welcomed home our crew from Guatemala. *Look for the recap of this amazing trip in our next issue!* Over 50 Sr. High will be leaving bright and early on the 22nd of June to do mission work in Yakima, Washington. Then at the end of July we will be sending off our Jr. High to Rapid City, South Dakota. Finally, at the beginning of August our college group will be heading out east to New Jersey to work with Habitat for Humanity. Prayers of safe travels are much appreciated as we head out into the world to be the hands and feet of Christ!

We are SLY (St. Luke's Youth) and we are an inclusive group for all 7th-12th graders that focuses on fellowship, fun, and finding out what this God thing is all about! As always, we have lots going on and are so excited to grow closer while having fun and being the hands and feet of Christ!

As always, we have a lot going on! We are blessed to be able to work with the youth of St. Luke's and we love to watch their relationships grow with God and each other!

-Yours in Christ, Dave & Amy

Les is More.... continued from page 8

Fred's mind raced, he caught his breath, but said nothing...

"Are you ready Fred? Are you willing to try? This may be hard for you, but no more difficult than it was for those who have written in my behalf in the past."

"If I do this," said Fred, "I must be honest to my own understanding of the physical world, I cannot profess something that is not consistent with that which I have observed and experienced in my life."

"I expect no less!" came the reply.

"I will have some hard questions," continued Fred, "some of them have been in my mind for some time."

"I know what's in your mind and the questions you have, so ask away!

But I charge you to listen with your heart and your mind and to respond once you've heard!" was the response.

"OK, then, let's go!" exclaimed Fred.

Fred heard a soft ringing, like a bell in the distance, and he was having trouble hearing the voices of those in the arena. The vision of all the faces began to fade and suddenly he found himself awake! He reached over and turned off the alarm clock, he turned back and stared at the ceiling. "What a strange dream," he thought, "I wonder what it all means....."

There will be more dreams for Fred! Where will the conversation go next month? What questions will Fred ask? What responses will he receive?
God bless us all! -Les

Blessings to you all!
